

## Randall's Room

Tesla: Yuck, this place is gross!

Randall: HEY! This is my kingdom you're talkin' bout!

Tesla: Oh, um sorry I guess, who are you?

Randall: Darn right you're sorry! My name's Randall and I am the king 'round here.

Tesla: That's nice.

I was just trying to pass through here, I am trying to find my way out. So I'll just be on my way now, sorry to bother you.

Randall: HEY, not so fast little rat. If you want to go through, you need to pay the toll, just like everyone else.

Tesla: Really? What do you want, I don't have any money.

Randall: Well, lets see, I heard that there is a beast with a nice shiny gold tooth. Would make a good necklace piece I bet. So, that, I want that.

Tesla: A beast? What beast? And how am I supposed to get his tooth?

Randall: Well, Harry the Janitor has been having some trouble with a beast, so go talk to him about it. As for how, well that is up to you, I just need that tooth.

Tesla: \*sigh\*

Randall: Well? Get goin'

Tesla: Fine.

## Beast Room

Tesla: AHHHHH! What is That!

Harry: Whoa there little rat. Careful. That there beastie is mighty hungry.

That there is Spike he is a bit of nuisance around here. I forgot his snack for the day too.

Tesla: You feed that thing!?

Harry: Yeah of course, the other option is he finds his own food.

Tesla: Oh....

Harry: Yep. So, what are you doing here?

Tesla: I am trying to get out of here, but Randall won't let me pass unless I get that thing's golden tooth.

Harry: Oh, so you met Randall, yeah, he is quite a character. Tell you what, You go and fetch Spike here a snack, and I will help you grab that tooth.

Tesla: Alright, seems fair.

Harry: Oh, You'll probably need this. It'll help you get the meat off the shelf and whatnot.

Tesla: What is it?

Harry: They called it an Elemenalizer. It lets you mix elements together and do some cool sciency stuff.

Tesla: Oh, cool. Um, how does it work?

Harry: I think you'll learn best by trying it out, here, test it out on that thing over there.
